## BUDGET FOR 1959-60—DEMANDS FOR GRANTS.

### No. 13. General Administration.
### No. 14. General Administration (State Legislature and Election Charges).

(*Debate continued*)

**Mr. SPEAKER** —Further discussion on voting of Demands for grants for the year 1959-60 will continue.

**Sri G. VENKATAI GOWDA** (Palaiyam).—Mr. Speaker, Sir, the Demand so far as the General Administration is concerned does not deserve our support for the simple reason that there is lack of efficiency in the administration, lack of integrity and utter failure on the part of the Government in not having been able to bring about economy in the administration. As a matter of fact, public administration has become an object of ridicule and criticism in the eyes of the public. Instead of efficiency creeping in day by day, unfortunately it has been deteriorating from bad to wors . No doubt, Mr, Gorwala has been asked to find out ways and means to secure efficiency in the administration and also to bring about economy and he has submitted his report. I think, Sir, by implementing some of the recommendations of Gorwala we can least expect to secure efficiency in the administration, unless there is determined will on the part of the officers concerned to do their job correctly and honestly without fear or favour in an unbiassed manner. Such an atmosphere is now necessary and they should inculcate in themselves the sense of duty, the sense of patriotism and more than anything else, a desire to serve the people of the State and secure the interest of the State to the best of their ability. But that we have not been finding today. I am not holding the view that all the officers of the State are like this. There are officers who have dedicated themselves to serve the interests of the State. But there are unfortunately other officers also who are swayed by communal, regional or parochial
